# Correction to: Simple motion correction strategy reduces respiratory-induced motion artifacts for k-t accelerated and compressed-sensing cardiovascular magnetic resonance perfusion imaging

Ruixi Zhou<sup>1,2†</sup>, Wei Huang<sup>1†</sup>, Yang Yang<sup>1,2</sup>, Xiao Chen<sup>3</sup>, Daniel S. Weller<sup>4</sup>, Christopher M. Kramer<sup>1,5</sup>, Sebastian Kozerke<sup>6</sup> and Michael Salerno<sup>1,2,5\*</sup>

## Correction

Figure 1 of this original publication [1] contained a minor error as one of the lines in the “Reconstruction pipeline” was not visible. The updated Fig. 1 is published in this correction article.
