

PUBLISHER CORRECTION

Open Access

Publisher Correction to: Electrocardiogram-less, free-breathing myocardial extracellular volume fraction mapping in small animals at high heart rates using motion-resolved cardiovascular magnetic resonance multitasking: a feasibility study in a heart failure with preserved ejection fraction rat model

Pei Han^{1,2†}, Rui Zhang^{3,4†}, Shawn Wagner¹, Yibin Xie¹, Eugenio Cingolani³, Eduardo Marban³,
Anthony G. Christodoulou^{1,2*} and Debiao Li^{1,2*} 

Correction to: *J Cardiovasc Magn Reson* 23:8 (2021)

<https://doi.org/10.1186/s12968-020-00699-9>

Two errors have been corrected in the original article [1] following the publication:

1. The order of affiliations has been corrected as per the corresponding authorship.
2. The article title read “reosonance” this has been corrected to “resonance”.

These errors have been updated in this correction article and the original article. The publisher apologizes to the authors and readers for the inconvenience.

The original article can be found online at <https://doi.org/10.1186/s12968-020-00699-9>.
